Cañada College

Participatory Governance Survey 2020-2021

Analysis of Spring 2021 campus-wide survey results prepared by Alex Claxton, Research Analyst
Office of Planning, Research & Institutional Effectiveness (PRIE)

Presented to the Planning and Budgeting Council (PBC)
May 5, 2021

Response rate

- 156 People started the survey
  - Non-completer by Constituency
    - 5 Classified Staff or Manager/Supervisor
    - 4 Faculty
    - 56 students
- 88 surveys completed
  - Nearly double from last year
  - Student participation increased 1,100%
  - 1 partial completer included

Survey Question Scale

- Most questions had participants rank from Strongly Agree (5) to Strongly Disagree (1)
- When looking at averages, the more intense the agreement/disagreement the further the average will be from 3
- 3-4 indicates general moderate agreement (2-3 general moderate disagreement)
- 4-5 indicates general strong agreement (1-2 strong disagreement)

I understand the resource request process and how it relates to program reviews and annual updates.
Cañada College employees have adequate opportunities to participate in resource prioritization
