Agenda Item	Presenter
Committee Reports	None.
Welcome/ Introduction	Meeting began at 1:00pm.
Midterm Accreditation Report - Karen Engle	<p>Fall 2023 Midterm Accreditation Report is due in October. We need clear guidance as to what we should be adding to the report on behalf of the Classified Senate.</p> <p>Please use the feedback form to suggest items for the midterm report. Link:</p> <p>Please read through the sections you are on/work with to make comments. So far only 1 comment was made, so it's important that there is more community feedback.</p> <p>The one area that we have not met the standards is enrollment, due to the pandemic. Need feedback by April 12th.</p> <p>Timeline: May PBC approval then September Board approval.</p>

<p>Flex Day - Ellen Young</p>	<p>The outline for Flex Day is rather thin for items for Classified. They expect to have a couple more presentations to add but need our ideas for future Flex Day workshops. Classified suggested:</p> <ul style="list-style-type: none"> ● PERS ● Work-life Balance ● No more Claremont EAP ● If there is Yoga, please make it at the end of the day so we aren't sleepy or sweaty in the following workshops.
<p>EAPC Tri-Chair Decision - Rance Bobo</p>	<p>The EAPC Classified body decided that Krystal Martinez would be the Tri-Chair assisted by Michiko Kealoha when things got challenging time-wise. Krystal was the only member with the capacity to be Tri-Chair.</p> <p>Peggy Peruccio brought up a concern that she had heard that if you were on the summer workgroup for EAPC you would not be invited to sit on the EAPC. There are no concerns for her about the people currently on EAPC, but the method people were chosen and approved was very confusing.</p> <p>Suggestion put forward that CSEA Leadership come to a future Classified Senate meeting to help us understand committee membership selection and appointments.</p>
<p>Professional Development Survey - Alex Claxton</p>	<p>Please complete the Professional Development Survey. The survey will close during Spring Break.</p>
<p>Good of the Order</p>	<p>Have a happy Spring Break!</p>
<p>Adjourn</p>	<p>Meeting adjourned at 2:00pm.</p>
