

# Cañada College Library Newsletter

When the going gets tough, the tough get a librarian.

## Instagram Videos on How to Print in the Library

One of the most common questions our student assistants get is how to print in the library. This series of short video tutorials created by student assistant Jennifer Aquino takes you through each step.

## Library Bookmobile, circ. 1970s

Did you know that the library used to have a bookmobile? It's true! Check out more historical photos of Cañada College at the [CSM Historical Photo Archive](#)

## Women's History Month

March is Woman's History Month! The Cañada College Library invites you to come visit our display to commemorate women who have made an impact in our world. Created by Library Support Specialist, Carlos Luna. Browse our books and marvel at all women have done to make a difference.
