p. 13 - ELITE is listed as a program within the PLN - Clarify	Clearly connect District PD to the Cañada PL Plan	How programs like ELITE function within the PLN; how ELITE fundtions to initiate and foster faculty development	PD within individual fields, especially for faculty	Repair pagination
Make the language consistent - change Professional Development to Professional Learning	p. 9 - last sentence of second paragraph: "The College will work to secure other funding for PL in order to sustain an ongoing PL Program." Does this mean that it will be institutionalized, in Fund 1, etc? Or is it written vaguely so that the College has room to explore a wide array of funding options?	p. 6 penultimate bullet "Collaborating with …" should include ELITE since there are a number of elements that should be a part of ELITE that would be discussed at PL meetings	Add assessment to Goal 2; objective 1 list	Funding for tuition reimbursement is only for Classified, why do we need to include the District information?
Ensure accuracy of Faculty PD - especially fudning - reference AFT/SMCCCCD Contract	Edit for repetition of sections and identical wording	p. 7 shouldn't ELITE be a working group/committee of this?	Add an objective to Goal 1: Formalize a College-wide Flex Planning process	
Add Faculty Coordinators of Instructional Assessment and Online Instruction to list of PL-related groups.	Proofread and edit	Clearly define professional learning	Add an objective to Goal 1: Formalize a College-wide Flex Planning process	
	Goal 1 - move budget activities to Communication and Collaboration; identify staffing/personnel	Faculty PD opportunities are not correct. It should cover tuition and expenses for faculty earning advanced degrees and certificates	Goal 1 - Learning & Teaching - include "identify role(s) for faculty leadership"	
		Add page for Flex Days and College PL opportunities	Goal 2 - Learning & Teaching objective - change "provide employees" with "provide faculty, staff, and administrators".	
			Goal 2 - Learning and Teaching strategies - add "Strategies for effective online instruction"
