## How to Access Your Previous Program Review

1. The easiest way to access your (or another program's) previous program review narratives, is to visit the <u>Cañada Program Review website</u>. All program review documents are posted there after each program review cycle.

## How to Enter Comprehensive Program Review Answers

1. Select the unit you would like to work in from the drop down menu at the top. If you don't see the unit you need access to, please contact the Instructional Technologist.

2. Click on the hamburger icon, or three horizontal lines, at the top left. Then click on Program Review and STEP 1: Comprehensive Program Review Questions.

b. You'll also find the <u>Cañada Program Review website</u> in that right side panel. You can access your previous program reviews, previous feedback, assessment information and more on our website from within Improve when you click on our website on the right. Again, use the data view buttons at the top right to better view and navigate the website.

4. From here, enter your responses to the program review questions and click Save at the top right when you're finished. If you haven't filled in all of your questions yet, you might need to enter a character into each field in order to Save since all fields are required.
